

02 September 2016

	09:00	09:30	10:30	11:00	12:30	14:00	15:30	16:00	17:30	18:00	19:30
117a	T024.1 Nuclear futures - how to govern nuclear waste?		CB	T104.1 Enhancement Cultures and Future Bodies		T063.1 Monitoring Circulation	B	T118.1 Weakening and strengthening forensic science in Europe	CB		
117b	T112.1 The Experimental Life of Plants: Botanical Being in Scientific Practice and Beyond		CB	T112.2 The Experimental Life of Plants: Botanical Being in Scientific Practice and Beyond		T090.1 Indicator Politics: Quantification measures and practices of decision-making	B	T090.2 Indicator Politics: Quantification measures and practices of decision-making	CB		
112a	T148.1 STS Underground: Ignorance and Invisibility in the Worlds of Mining and Underground Extraction		CB	T148.2 STS Underground: Ignorance and Invisibility in the Worlds of Mining and Underground Extraction		T108.1 Urban STS and Post-Socialist Cities	B	T108.2 Urban STS and Post-Socialist Cities	CB		
112b	T163.1 Improving gender balance from below		CB	T040.1 Cybersecurity & digital territory: Nation, Identity, and Citizenship		T022.1 Refugee technologies and mobility into Europe	B	T022.2 Refugee technologies and mobility into Europe	CB		
212	T005.5 Turning Things into Assets		CB	T066.1 Infrastructures of Evil: Participation, Collaboration, Maintenance	M003.1 Editorial board meeting New Genetics and Society	T066.2 Infrastructures of Evil: Participation, Collaboration, Maintenance	B	T066.3 Infrastructures of Evil: Participation, Collaboration, Maintenance	CB		
116	T017.1 STS for pharmaceuticals and public health policy		CB	T017.2 STS for pharmaceuticals and public health policy		T017.3 STS for pharmaceuticals and public health policy	B	T017.4 STS for pharmaceuticals and public health policy	CB		
115	T032.5 Science Communication		CB	T083.1 Doing theory by other means: how does architectural production challenge STS and ANT		T083.2 Doing theory by other means: how does architectural production challenge STS and ANT	B	T083.3 Doing theory by other means: how does architectural production challenge STS and ANT	CB		
114	T001.2 Materializing governance by information infrastructure		CB	T001.3 Materializing governance by information infrastructure	E001.2 Ethnografilm Barcelona	T001.4 Materializing governance by information infrastructure	B	T001.5 Materializing governance by information infrastructure	CB		
113	T031.2 Topographies of clinical translation: charting novel sociotechnical landscapes within and around biomedical research.		CB	T087.3 What is a Problem? Problematic Ecologies, Methodologies and Ontologies in Techno-science and Beyond		T002.3 The Lives and Deaths of Data	B	T002.4 The Lives and Deaths of Data	CB	PLEN03.1 Keynote Plenary 2: Catastrophes and promises of science and technology by other means.	
111	T064.5 Valuation practices at the margins		CB	T064.6 Valuation practices at the margins	M001.1 EASST Meeting	T064.7 Valuation practices at the margins	B	T121.1 New Topologies of Scientific Practice	CB		
VIP	T036.4 Social Studies of Politics: Making Collectives By All Possible Means		CB	T036.5 Social Studies of Politics: Making Collectives By All Possible Means	T174.1 Interactive Round Table: Does STS Have Problems?	T094.1 Emerging science and technology : questioning the regime of promising	B	T094.2 Emerging science and technology : questioning the regime of promising	CB		
118	T003.1 Mundane Market Matters: On the ordinary stuff (and actions and sometimes people) that make markets		CB	T003.2 Mundane Market Matters: On the ordinary stuff (and actions and sometimes people) that make markets	T070.2 Sensing, Walking and Embodiment With and By Technologies: A Track Away From The Desk	T003.3 Mundane Market Matters: On the ordinary stuff (and actions and sometimes people) that make markets	B	T004.1 STS and Planning: Research and practice intervening in a material world	"Wanna Wonder the Academic" meets "The Electric Nemeses"(PI)		
119	T009.3 Future Knowing, Future Making. What Anticipation does to STS.		CB	T048.1 Back to the future: STS and the (lost) security research agenda	P002.1 Book launch event: Urban Cosmopolitics	T048.2 Back to the future: STS and the (lost) security research agenda	B	T009.4 Future Knowing, Future Making. What Anticipation does to STS.			
120	T028.1 Futures in the making and re-making		CB	T028.2 Futures in the making and re-making		T028.3 Futures in the making and re-making	B	T028.4 Futures in the making and re-making			
121	T012.2 The Event of the Public: Convolutions of Aesthetic and Epistemic Practice		CB	T012.3 The Event of the Public: Convolutions of Aesthetic and Epistemic Practice	M005.1 Meeting of the Science as Culture Advisory Panel	T007.1 Before/after/beyond breakdown: exploring regimes of maintenance	B	T007.2 Before/after/beyond breakdown: exploring regimes of maintenance			
122	T013.2 STS-CAM: Science and technology studies on complementary and alternative medicine		CB	T111.1 Body, Science and Expertise	M006.1 6S professional development lunch: Defining STS Careers Across Borders: How and Why to Navigate an International STS Career	T047.1 The field and the farm in the production of biomedical knowledge	B	T047.2 The field and the farm in the production of biomedical knowledge	CB		
123	T030.5 Socio-technical Futures Shaping the Present: Empirical Examples and Analytical Challenges in STS and Technology Assessment		CB	T050.1 Conceptualizing transformational change in energy systems and the built environment	M010.2 Making Sense of our 4S Experiences: An hour for Connecting and Reflecting Together	T050.2 Conceptualizing transformational change in energy systems and the built environment	B	T050.3 Conceptualizing transformational change in energy systems and the built environment	CB		
124	T030.1 STS and Climate Change: Perspectives on/from the Global South		CB	T137.1 From person to population and back: exploring accountability in public health		T137.2 From person to population and back: exploring accountability in public health	B	T038.1 Antagonists, Servants, Companions: the Sciences, Technologies and Politics of Microbial Entanglements	CB		
125	T045.2 New Collective Practices of Measurement, Monitoring and Evidence		CB	T045.3 New Collective Practices of Measurement, Monitoring and Evidence		T045.4 New Collective Practices of Measurement, Monitoring and Evidence	B	T045.5 New Collective Practices of Measurement, Monitoring and Evidence	CB		
127	T059.5 Making Worlds: Feminist STS and everyday technoscience		CB	T059.6 Making Worlds: Feminist STS and everyday technoscience	T185.1 Thinking with ethnography	T100.1 Feminist Technoscience Studies in Unexpected Places: (Intra)Activism and Social Justice	B	T100.2 Feminist Technoscience Studies in Unexpected Places: (Intra)Activism and Social Justice	CB		
128	T071.5 Innovation: Discourses, politics, societies, and blind spots		CB	T099.1 New frontiers in social gerontechnology - Exploring Challenges at the Intersection of STS and Ageing Studies		T099.2 New frontiers in social gerontechnology - Exploring Challenges at the Intersection of STS and Ageing Studies	B	T099.3 New frontiers in social gerontechnology - Exploring Challenges at the Intersection of STS and Ageing Studies	CB		
129	T062.2 Care Innovation and New Modes of Citizenship		CB	T062.3 Care Innovation and New Modes of Citizenship	P001.1 Presentación del Libro: "Postfenomenología y Tecnociencia: Conferencias en la Universidad de Pekín"		B	T076.1 Enacting responsibility: RRI and the re-ordering of science-society relations in practice	CB		
130	T132.2 Beyond the single-site study: the Biography of Artefacts and Practices		CB	T132.3 Beyond the single-site study: the Biography of Artefacts and Practices		T127.1 Cloud Computing: New Social and Political Spaces	B	T114.1 Innovation, Economic Driver, Disruption: Utopias and Critiques of Making and Hacking	CB		
131	T079.2 Framing of emerging technologies as a strategic device		CB	T079.3 Framing of emerging technologies as a strategic device		P004.1 Rachel Carson Prize 2016: Author Meets Critics	B	T115.1 Remaking the biosocial by other means	CB		
132	T049.1 STS and normativity: analyzing and enacting values		CB	T049.2 STS and normativity: analyzing and enacting values		T049.3 STS and normativity: analyzing and enacting values	B	T084.2 Technologies of Criminalization: On the convergence of forensic and surveillance technologies	CB		
133	T051.1 Feminist Postcolonial STS		CB	T051.2 Feminist Postcolonial STS		T051.3 Feminist Postcolonial STS	B	T051.4 Feminist Postcolonial STS	CB		
134	T102.5 Everyday analytics: The politics and practices of self-monitoring		CB	T058.1 Biorisk Intelligence otherwise: Scenarios, Visual Knowledge and new Mechanisms of Surveillance		T058.2 Biorisk Intelligence otherwise: Scenarios, Visual Knowledge and new Mechanisms of Surveillance	B	T111.3 Body, Science and Expertise	CB		
M215	T008.2 Smart eco-cities: experimenting with new urban futures		CB	T081.1 Science and Technology for Social Justice		T081.2 Science and Technology for Social Justice	B	T097.1 Engaged STS for inclusive development: exploring concepts, practices, networks, and policies towards inclusive and sustainable futures	CB		
M211	T116.2 Counting By Other Means		CB	T173.1 Gene Editing in Context: Challenges and Emerging Practices		T111.2 Body, Science and Expertise	B	T162.1 Infrastructural Futures : Speculation, Crisis, and Media Technologies	CB		
M212	T168.1 (Techno)science by other means of communality and identity configuration		CB	T138.1 Targeted Biomanagement: Ethics, Politics, and Unruly REGimes of Calculation		T144.1 Ecologies of participation: Thinking systemically about science and technology by other means	B	T124.1 Energy Beyond Crisis: Energetic Bodies, Ecologies, and Economies	CB		
M213	T092.1 Transition to Sustainable Food Systems: Integrative Perspectives on Production and Consumption		CB	T092.2 Transition to Sustainable Food Systems: Integrative Perspectives on Production and Consumption			B	T143.1 Governance of Agricultural Biotechnologies	CB		
M214	T110.3 What does it mean to be Human in the 21st Century?		CB	T157.1 Disentangling ecologies: working around 'the system'		T159.1 Political Objects. Prescriptions, Injustices and Promises of Material Agents	B	T147.1 Engaging decoloniality and decolonization in science and technology studies	CB		
Hotel Barcelona Princess					M007.1 Editorial board meeting Social Studies of Science						
Hall (outdoor)		T070.1 Sensing, Walking and Embodiment With and By Technologies: A Track Away From The Desk				T070.2 Sensing, Walking and Embodiment With and By Technologies: A Track Away From The Desk
